

Re-Naming Proposal Presented by: Skyview Acres Neighborhood Association

In July 2016, the Skyview Acres Neighborhood Association approached Bernalillo County with a proposal to rename a yet-to-be-constructed park in their neighborhood.

Currently the property is undeveloped and is listed as a high-priority construction project in the county's Parks, Recreation and Open Space Facilities Plan. Construction on the new park is expected to begin within the next 6 months.

The planned name for the neighborhood park is Cielo Vista Circle Park. The property is located on Andrea Circle and Cielo Vista del Norte, north of Cottonwood Mall, and east of Intel.

The Skyview Acres Neighborhood Association is proposing to rename the park Skyview Park, because there is already a park in Rio Rancho that is named Cielo Vista Park.
